The Paper Bank

There has been a paper recycling bank at the Village Hall for many years. Recently Whites, who collect and recycle the papers, have decided to discontinue this service. The paper bank, which has been full for a while, will be taken away this autumn. Thank you to everyone who has made the effort to take their newspapers to the village hall car park for recycling over many years. It has made a very useful contribution to village hall funds

Friday Food trucks & Bar

Eating al fresco on Friday evenings at the village hall has been very popular over this sweltering summer and boosted numbers of visitors to the Friday night bar. Madalina has arranged another two months of food trucks for us all to enjoy up until the end of October. Come along from 6.30 on a Friday evening to enjoy some food, a drink or two at the bar and the company of your neighbours.

Black Shuck at the Friday Bar

We love to introduce visitors to local products at the Friday bar and we're delighted to add Black Shuck to our range. Distilled in our village, we are sure that their White Label Gin and Chuckleberry liqueur will prove popular.

Wendy's Wonderful Windows

Next time you visit the Village Hall for a class, a film, a coffee or a Friday night drink make sure you look up at the glass screen dividing the kitchen area from the main hall. For many years there have been two cracked and one missing panes of glass there. The Crafts in Action group have been puzzling over how to make incorporate something made by one of the many talented artists and craftspeople in our village. This year they commissioned Wendy Coe to create a decorative glass panel to replace the missing pane, once installed someone else quickly came forward to fund the making of another and Wendy generously contributed a third panel to complete the set. James Jackson very kindly installed them and they look wonderful. The Trustees are grateful to all involved for this new addition to the hall.

Well done to Karen and Jason Peart !

The Glamrastics rock in the garden raised £1800 which was a fantastic effort

Coffee Shop volunteers needed

Could you spare two or three hours every 6 weeks or so to serve coffee, tea and cakes at the Tuesday Coffee Shop in the Village Hall?

We urgently need a few more helpers on our rota. You would be paired with an experienced helper to help you settle in.

We are a friendly group and we provide a much used and valued weekly event for villagers. If you would like to join us or have a chat about it, please contact Mary Beek: 01263 860882, 07798867598 or marybeek01@btinternet.com

St George's Church Fete

Our Fete and Yard Sale was a learning experience for the Friends of Hindolveston Church. For a start, not having done one before, we didn't realise quite what was involved. We fetched and carried, carried and fetched, until we felt like Sherpas on an Everest expedition. But, we reached the summit - £750 profit. Result!

We would like to thank everyone who came, baked, donated and helped out on the day. Perhaps the best bit was the wonderful feeling of community. People chatting, eating cake, catapulting teddy bears – it was lovely. Thanks to one and all.

Our next big event is the Harvest Festival on 14th September, 11 am. If anyone wants to bring produce that weekend, first for a display and then for sale on our plant stall, we'd love to have it. And does anyone have a sack of grain we could borrow? We need to acknowledge our farmers, slogging on throughout this driest of years to bring in our food supplies. We promise to return the grain afterwards.

28th September is our new Children's Event, Messy Saints. Our vicar, Carol, is very keen for children of all ages, plus anyone who fancies joining in, to come to the Church Room at 3 pm on that Sunday to do crafts – I think she was talking about loaves and fishes, which should be a lot of fun. Make stuff, talk about the story behind it and take it into the church for display.

Other dates – Ecoclub on 27th August and 10th September, 4 to 6 pm. Open to all ages, it's hedgehogs, moths and bees at the moment.

Men's club, every Wednesday, 7 pm. Shelves and bird boxes I think.

Jumble Sale 4th October, hang on to good quality clothes and bring them along.

CONCLAVE (2024)

Nominated for 8 Oscars, "Conclave" follows one of the world's most secretive and ancient events - selecting a new Pope. The Church's most powerful leaders have gathered from around the world, locked together in the Vatican. Tasked with running this covert process, Cardinal Lawrence (Ralph Fiennes) finds himself at the centre of a conspiracy, and discovers a secret that could shake the very foundation of The Church. Also starring Stanley Tucci, John Lithgow and Isabella Rossellini.

"A papal thriller that treads on eggshells," Conclave' is one of the year's most deftly balanced films. Pulpy and pensive in equal measure" - Empire
