News from the Parish Council

The main item on the agenda for the meeting in November was setting the Budget and Precept for 2026-27. It was decided to set the Precept at £16,800 (an increase of £3000, just under 22%). This was to cover the costly repairs to the playground equipment - new timber was needed for the swing - and to continue to build up reserves for further playground maintenance and replacement defibrillators when required.

The flooding at Beck Farm had been reported. The Clerk was asked to follow this up and request a proper investigation and programme of works to resolve this on-going problem.

People are encourage to report Highways defects such as flooding, potholes problem with public rights of way on the county council website:

<https://www.norfolk.gov.uk/roads-and-transport/roads/report-a-problem>

It was agreed to arrange for a clear up of the brambles etc in the graveyard over the winter and to seek quotes for regular cutting of the old and new graveyards. If you are interested in this please contact the Chair of the Parish Council - Mary Walsh - cllr.mary.walsh@hindolvestonparishcouncil.gov.uk .

It was noted that if the electricity is out for over 12 hours during a power cut, people can claim compensation from UK Power Networks:
