'There was a great turnout for hot cross buns at the Church Rooms on Good Friday. The Pilgrims from Essex were most grateful for the welcoming break on a rather damp and grey day, as they made their way to Walsingham. Many cups of tea and coffee were served, and a good number of hot cross buns were much enjoyed. £74.00 was raised for St George, Hindolveston. Many thanks to all who

It's happening ago - DOG POO ! It's on the Rec and the footpath Please please be a responsible dog owner . There are bin bags on the Rec fence . You know your dog . If it is due to poo -watch it the signs are pretty clear !!! There is a fine for dog fouling too

Church News May 2026

Thanks to everyone who contributed to our wonderful Textile Exhibition this Easter. The church seemed to have been waiting to show off for ages and finally had the chance, have a look at the pictures on the church website. There are so many talented people in this village and next time we will advertise madly, now we know how good it can be.

Also, do you know anyone who would like to camp in our church? It's called Champing, it's very cheap and everyone who does it seems to find it fun. Go to champing.co.uk for bookings.

The Parish Council have received some complaints regarding the parking of cars opposite and near the junction of The Street and Foulsham Road. Safety concerns were expressed that when you pull out to pass the parked cars on The Street you are vulnerable if at the same time there are vehicles coming out of the Foulsham Road junction. It was suggested that cars should be parked further along The Street and away from the immediate area of the junction to reduce risk of accidents.

The Rector's Retirement Party

Our Rector, Trudie Morris, is retiring at the end of June. We are holding a party for her at Swanton Novers Village Hall on Thursday, 4th June at 7.30 pm. Tickets are £10 each, please sign up in the church porch if you would like to go, or call the Church Warden on 07840 737457.

Friday Food returns to the Friday Bar

The food trucks at the village hall were so popular last year that we couldn't resist booking some again this year. We have a few new ones lined up as well as a couple of favourites from last time. The first one will be The Galley Street Kitchen on May 15th with their gourmet burgers, Askers Pizzas will join us on May 22nd and Surfing Sombrero brings us Californian burritos on May 29th. The food trucks will be serving food in the village hall car park from when the bar opens at 6.30 until around 8pm. You can eat inside the main hall or at tables outside with a drink from the bar, or pick up a takeaway.

Hello

I am advising of another update to the bus service to Dereham.

The Service 80 provided by Our Hire has now finished and initially there was no replacement as the passenger figures suggested there was no usage from the village, however, after further analysis the figures have proved to be misleading.

I am pleased to say the bus service will be re-introduced to the village and will operate Tuesdays as well as Fridays.

The timetable below will be in operation from 21st April.

Hindolveston, bus shelter 1102

Dereham, market place 1130

Dereham, market place 1355

Hindolveston, bus shelter 1432

The route to Dereham is via North Elmham and route from Dereham is via Bawdeswell as the service operates in a circular

Please note there is no service this Friday 17th to allow for the processing time of the revised service.

Annual Parish Meeting

The Annual Parish Meeting was held in the Millennium Pavilion in April. It was heartening to hear reports from the organisations in the village: the Parish Council, Village Hall, Crafts in Action, Village Cinema, Ladies Group, St George's (including Eco Church), and Mini Band. There is so much going on throughout the year with many volunteers organising events, maintaining buildings, and looking after open spaces.

The reports will be available to read on the village notice board in the bus shelter on Foulsham Road, and on the Parish Council website: [https://

'Save the date!

We have 10 gardens throwing their gates open to visitors this year. 10 is great, but 15 would be even better.

If you love your space why not share it with like minded people?

It was a fantastic day last year that everyone enjoyed while raising money for worthwhile causes
